Injection Plastic

Innovazione considerata come materia prima, questa è la filosofia di Deroma. Nella **linea Plastic** si combinano estetica e funzionalità portando alla creazione di vasi forti, ma estremamente leggeri; oltre ad accessori unici che aumentano le prestazioni del prodotto.

*Innovation considered as a raw material, this is Deroma's philosophy. In the **Plastic section**, aesthetic and functional innovation combine, leading to the creation of large-sized pots, strong and yet extremely light, besides unique accessories that increase product performance.*

*Innovation als Rohstoff betrachten, dies ist die Philosophie von Deroma. Im **Bereich Kunststoff** vereinen sich ästhetische und funktionale Innovationen, die zur Entwicklung großformatiger Töpfe, stark und gleichzeitig extrem leicht, sowie einzigartiger Accessoires, die die Produktleistung steigern.*

light

Leggerezza e Convenienza

La leggerezza è il principale vantaggio dei vasi di plastica. Quando si cerca un vaso leggero, conveniente anche in formati più grandi, la plastica è la risposta.

Lightness & Convenience

Lightness is the main advantage of plastic pots. When looking for a light, convenient and affordable pot even in bigger sizes, plastic is the answer.

Leicht & Praktisch

Leichtigkeit ist der Hauptvorteil von Plastiktöpfen. Auf der Suche nach einem leichten, praktischen und erschwinglichen Topf auch in größeren Größen ist Kunststoff die Antwort.

recyclable

Riusali o Riciclati

La plastica è adatta, leggera, resistente ed economica.
Riciclare o riutilizzare è essenziale per un uso sostenibile.
La riserva d'acqua presente in alcuni dei nostri vasi di plastica aiuta anche a ridurre il consumo di acqua.

Reuse it or Recycle

Plastic is suitable, light, resistant and economical. Recycling or reusing is essential for a sustainable use. The water reserve some of our plastic pot offers helps also to reduce water consumption.

Wiederverwendung oder Recycling

Kunststoff ist geeignet, leicht, widerstandsfähig und wirtschaftlich.
Recycling oder Wiederverwendung ist eine wesentliche Eigenschaft für eine umweltbewusste Nutzung. Einige Blumentöpfe aus unserer Kunststoffpalette die über ein Wasserreservat verfügen, helfen den Wasserverbrauch zu reduzieren.

fun

Un Mondo di Colori

La plastica porta colore nella tua vita e quindi emozione e gioia. „Take it easy“ e smettiti di essere così serio per un po' :-)

A World of Colours

Plastic brings colour into your life and so it brings emotion and joy. Take it easy and stop being so serious for a while :-)

Eine Welt der Farben

Plastik bringt Farbe in dein Leben und bringt es mit Emotion und Freude. „Take it easy“ ist das Motto und hör auf so ernst zu sein für eine Weile :-)
